

REQUEST FOR PRICES

CENTRAL ARKANSAS TRANSIT AUTHORITY IS SOLICITING VERBAL QUOTES FOR PURCHASE OF DIESEL FUEL.

Per State of Arkansas Office of State Procurement Delegation Order, competitive bidding will be used in lieu of sealed bids due to the continuing volatility of fuel prices.

One, three, six month and one year quote to deliver approximately 50,000 gallons monthly, of ultra low sulfur diesel #2 (red dyed). Prices should exclude taxes and fees but seller will bill taxes and fees as a separate line item. CATA will be responsible for taxes and fees. CATA intends to receive quotes until the most favorable bid is received. CATA will at that time lock in a price for the most preferable period of time and a contract will then be issued. The new contract period will begin October 1, 2010.

Emailed bids will be accepted each day, beginning Wednesday, September 1, 2010 to swilliams@cat.org

Please use as the subject "Diesel Bid". Sellers should email their quote in the following format:

Seller Name:

One month quote

Three month quote

Six month quote

One year quote

Date and Time quote expires

Bidders will be notified when a bid has been selected and the bidding is closed.

Questions concerning this request should contact:
